# AZHAR CONSTRUCTION

Azhar Construction has Licensed as a full-service contracting company, meaning we offer services in every aspect of the renovation, remodeling, or restoration of facades and landmark projects. Azhar Construction inc specializes in construction forensics, deals in critical waterproofing issues, and provides immediate affordable solutions. The Company was at the forefront in the middle of storms and protected falling and deteriorating facades, cornices, and stones. We provided immediate structural solutions and restored facades and parapets successfully. We build custom architectural and designed cornices and also installed them.

## ABOUT US

Whether it's residential, commercial, interior/exterior, restaurant work, state-of-the-art interior finishes, or non-profit, our general contracting services can take your project to the next level. Azhar Construction Inc. specializes in a wide range of services including interior, commercial, and exterior work, waterproofing, masonry, and concrete work. By having a complete team of qualified workers and partners, we control every aspect of the project to ensure it lives up to our exceptional standard.

Our completed projects are living proof of our professionalism and commitment to your projects. We are qualified contractors to work with Engineers and architects' planes and have signed out all our projects without any problem. We accurately control the project's budget, timeline, quality, and design.
